

“RING C” bench

Sheet code: FIAR016

Drawing code:

Revision:

10/01/2019

Designer:

Bellitalia Design Department

Product:

Circular, monolithic bench model “RING C” with concrete, with a circular seat and a central hole fitted to lodge both flowers and plants. The bench can be possibly equipped with an internal bin.

Dimensions:

external diameter: 2052 mm;
internal diameter: 992 mm;
height: 480 mm;
total weight: 1320 kg.
capacity: 389,0 litres.

Material:

The bench and the circular seat can be manufactured using reconstituted natural marble stones or white granite conglomerate. Possibly equipped with steel internal bin.

Reinforcing:

The reinforcing is made by a ring and bushes for the movement of each product.

Finishing:

The bench and the circular seat surfaces can be polished, to give the product a shiny effect, or bush-hammered, for a rough appearance. The surface is covered with a transparent anti-decay coating, or, upon request, with anti-graffiti products. The internal bin is treated by a hot dip galvanisation. All edges are rounded or made blunt.

Handling:

Use appropriate equipment when handling.

Installation:

Simply place the bench on the flooring.
