

## “DEMETRA CAW” bench

Sheet code: **PAAR136**

Drawing Code:

Revision: 10/01/2019

Designer:

Bellitalia Design Department

**Product:** Curved modular bench model “DEMETRA CAW”, composed by a monolithic seat with built-in full wooden seat and by a base equipped with a **levelling system**. The bench on request can be equipped with illuminating strips placed longitudinally on the longest side with relative power supply.

**Dimensions:** width: 600 mm;  
internal radius: 1900 mm;  
external radius: 2500 mm;  
height: 480 mm (variable);  
total weight: 1139 kg.

**Material:** The bench can be manufactured using reconstituted natural marble stones or white granite conglomerate. The wooden cladding is composed by 10 wooden slats offered with three different types of essence: pine, okumè or exotic wood (please see respective material sheet). All slats have a section of (100-132)x35 mm. Slats are fastened to the seat through screws and three stainless steel plates, arranged to ease the water discharge under the slats.

**Reinforcing:** The self-levelling base is reinforced and fitted with bushes that permit its lifting and levelling. The seat is also reinforced and endowed with bushes that permit its lifting, and that are covered with a Bellitalia plate after the placement.

**Finishing:** All surfaces are sandblasted, except for the seating surface that can be polished, to give the product a shiny effect, or bush-hammered, for a rough appearance. Surfaces are then covered with a transparent anti-decay coating, or, upon request, with anti-graffiti products. All wooden elements in, pine and okumè can be impregnated and painted with a protective varnish, the exotic wood is impregnated and, upon request, varnished. All edges are rounded or made blunt.

**Handling:** Use appropriate equipment when handling.

**Installation:** Level the base screws and simply place the planter on the flooring.
