

“LOUNGE 90” Bench

Sheet code: PAAR140

Drawing code:

Revision: 14/01/2019

Designer:
Bellitalia Design Department

Product: Linear modular bench model “LOUNGE 90” for two, composed by a monolithic seat with a right-angle closing. This bench is ideal for the creation of compositions with the other products of the Lounge collection, ensuring extensive compositional solutions.

Dimensions: length: 815 mm;
width: 815 mm;
height: 435 mm;
total weight: about 433 kg.

Material: The bench can be manufactured using reconstituted natural marble stones or white granite conglomerate. The seat is manufactured in only one concrete casting.

Reinforcing: The bench is reinforced and endowed with bushes that permit its lifting, and that are covered with a Bellitalia plate after the placement.

Finishing: The bench's surfaces can be sandblasted or natural smooth, and are then covered with a transparent anti-decay coating, or, upon request, with anti-graffiti products. All edges are rounded or made blunt.

Handling: Use appropriate equipment when handling.

Installation: Simply lay the bench on the flooring, accordingly with the chosen layout.
