

“QU” Litterbin

Sheet code: **CEAR017**

Drawing code:

Revision: 13/07/2018

Designer:
Bellitalia Design Department

Product: Monolithic trapezoidal litterbin model “QU”, equipped with a door with double-side hinge and a lock. Equipped with an internal bin.

Dimensions: length: 500 mm;
width: 582 mm;
height: 992 mm;
total weight: 230 kg;
capacity: 120 litres.

Material: The bin can be manufactured using reconstituted natural marble stones or white granite conglomerate. The internal bin and the door are made of steel.

Reinforcing: The base and the covering are reinforced and fitted with bushes that permit its lifting and fixing.

Finishing: The bin surfaces are sandblasted and then covered with a transparent anti-decay coating, or, upon request, with anti-graffiti products. All edges are rounded or made blunt. The covering and all steel parts are treated by a hot dip galvanisation and painted RAL7021, or, upon request, in other colours.

Handling: Use appropriate equipment when handling.

Installation: Simply place on the flooring.
