Dimensions:
H=1440 mm + h 260,50 mm,
L=403 mm, D=330 mm,
Litter bin capacity: 38 lt
Weight: approx. 14 kg

Sanification Point MAGELLANO is a compact solution for the distribution of devices, such as disposable gloves, masks, or wipes, thanks to two removable shelves, easily fixable with knobs.

Suitable for indoor use, it can be also a hand sanitization station: appropriate pre-arranged holes on the front side of the station, allow to place a battery powered automatic dispenser of hand-sanitizer or a stainless steel universal bottle-holder.

The automatic dispenser comes with a practical drop-collector.

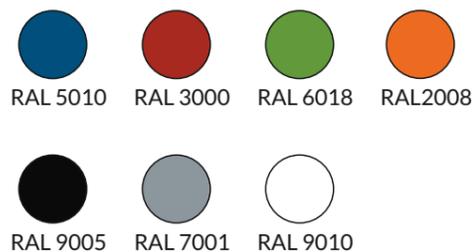

Thanks to an optional litterbin with elastic bag holder, the station can become also a point for the collection of waste.

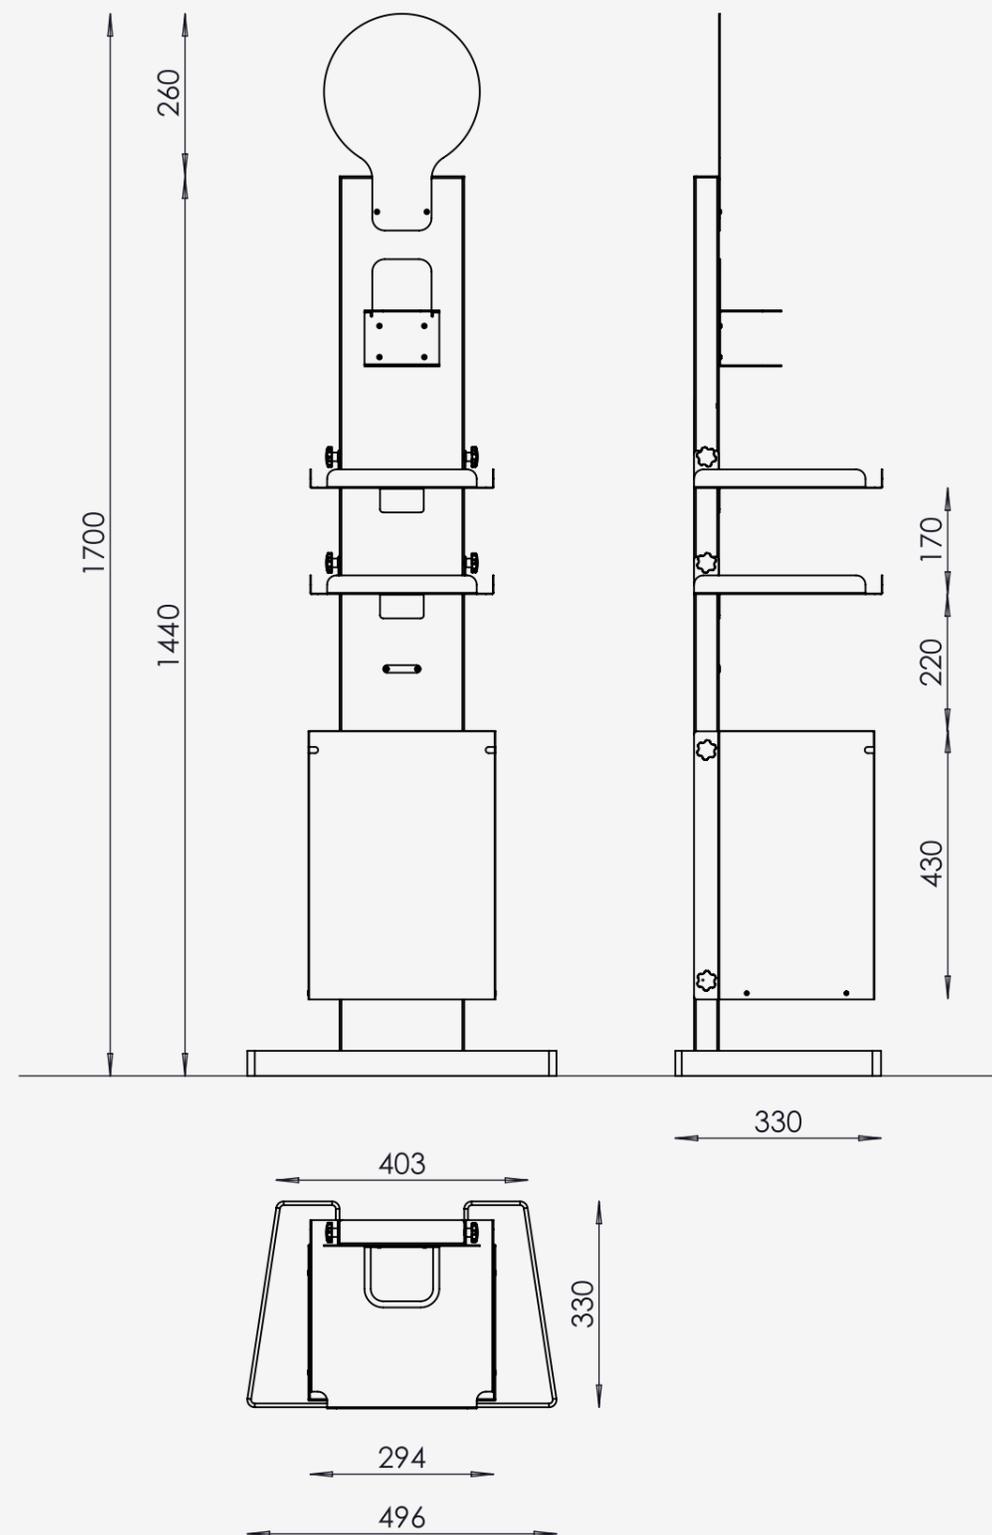

Optional accessory:
circular sign for logo
(customizable with stickers)

Available in powder coated steel.

Openable front door is always in RAL 9010,
smooth finish.
Column and fixed compartment structure
can be coloured in 7 different RAL, smooth finish.

"SANIFICATION POINT" sticker available in 6 colour combinations – not applied.

Dimensions:
H=1440 mm + h 260,50 mm,
L=403 mm, D=330 mm,
Litter bin apacity: 38 lt
Weight: approx. 14 kg
